## Gandini Juggling invite you to participate in a free series of workshops

If you are aged 14 to 23, can juggle three balls with ease while walking around, and do a few patterns, then these workshops are for you. We welcome new and advanced young jugglers to this series of workshops, where we'll focus on juggling with movement, rhythm, multi-handed and siteswaps. The sessions will be led by Jose Triguero and Owen Reynolds, two highly experienced Jugglers working with Gandini.

These workshops are part of a bigger project, supported using public funding by the National Lottery through Arts Council England. We will be inviting a handful of those interested to have further training and join the company for a big juggling site-specific performance at Somerset House, London, on August 4th and 5th, 2018.

Follow the link below to apply via a short online form. We will endeavour to reply by mid-April. These workshops are free of charge, but we do request all participants to commit to the three dates at their chosen partner venue.
